CHALLENGER 2

INNOVATION THRU
IMAGINATION

For safe, accurate weighing up to 7.5 tons

The CHALLENGER 2 provides the features and reliability you expect from industry's leading manufacturer of electronic crane scales. When you weigh quality and price, there is not a better value than the CHALLENGER 2 for indoor weighing applications up to 7.5 tons.

Every CHALLENGER 2 is NTEP Approved* for accuracy. Its advanced electronics offer you versatility with an unrivaled standard feature set that includes: Tare, Units switching, Totalizing, Peak

Hold, Set Points, Filtering and a convenient lift-cycle counter. Mechanically, the CHALLENGER 2 has proven itself through years of service. A rugged, low-profile enclosure minimizes headroom loss while maintaining weather resistance and portability. It also sets the standard for readability. With several annunciators and oversized 1.2 in (30mm) LED digits, you can read the display easily from more than 50 ft (15m) away.

MSI products are sold and serviced by a worldwide network of factory-authorized distributors and backed by a full one-year warranty.

The optional remote control allows the operator to perform all scale functions conveniently and safely from a distance.

For additional MSI scale product information, you can call or write MSI, or browse the company's web site at "www.msiscales.com".

* With exception of the 15,000 pound capacity model.
